## TECHNOLOGY MEETS FRENCH-CANADIAN LITERATURE

The **Regroupement des éditeurs franco-canadiens (REFC)** is proud to present its digital book platform **FrancoBiblio**, opening the door for you and your students to discover all the richness of francophone literature.

Enjoy a **wide selection of French-Canadian literary works** through an affordable **annual subscription** designed especially for elementary and secondary schools.

## A PROVEN TEACHING TECHNIQUE

Using literature in the classroom is key to student success in reading and writing. Through works set in **Ontario, Acadia** and **Western Canada**, the **cultural referents** – essential in a **minority context** – will engage your students' interest and spark discussion. FrancoBiblio combines **innovation, pedagogy** and **technology** to develop **literacy skills** and foster **identity building**.

## FRANCOBIBLIO MAKES BOOKS MOBILE

Young people are all about mobility! The platform is designed for **streaming** so that the books are available to students anywhere they may be. FrancoBiblio provides access to the books **on any device** (Chromebooks, interactive whiteboards, tablets, smart phones) and adapts to all types of screens.

With FrancoBiblio, eBooks are available to you even without an internet connection!

Our platform also features text-to-speech capability that is compatible with most of the other software on the market.

“ Literacy correlates not only with reading and writing skills, but also with the development of an individual's identity and relationship to the world. ”

Vanhulle, S. and A. Schillings, *La « littératie » : métaphores idéologiques ou concept didactique ?* Excerpts from *Avec le portfolio : écrire pour apprendre et se former*. Bruxelles: Labor, 2005.

“ As students read, write, and reflect, they make vital links between their own knowledge and experience and new viewpoints, information, and questions. ”

# THEME BUNDLES

There's nothing like diving into literature for **absorbing new concepts** and **facilitating comprehension**, which is why we are offering **eBook theme bundles**. By engaging the students' interest, these readings will generate enriching discussions in the classroom.

Some of the books even have accompanying **learning sheets**, available at no charge!

## BUNDLES CREATED FOR YOU OR BY YOU!

To fit your needs, we have grouped books into **clear** and **relevant themes**. These eBook bundles are sorted by **age group** and **literary genre**.

You can also create **your own bundles**, selecting from the extensive eBook catalogue offered by our French-Canadian publishers and tailoring bundles to fit the preferences of your specific group of students.
